

# KAP'S MARINA

& SHIP'S WHEEL RESTAURANT

*Fishing at its Best!*

**Kap's Marina** is a full-service marina, located in the heart of the most productive waters of Door County. On open water or through the ice, we have some of the best fishing to be found in the Midwest.

The waters surrounding Washington Island is known for having the best small-mouth bass fisheries in America with Washington Island's Detroit Harbor being a local hotspot.

Walleye, bass, trout, northern pike, salmon, and pan fish can be found in abundance and record sizes here. Bring your own boat & tackle, or rent one from Kap's! You can also let our experienced USCG licensed captain show you the beauty of fishing in this prime area of the Mid-West.

**Conveniently located south of the ferry dock, we offer:**

- USCG licensed captain available for charter fishing
  - Boat storage (indoor and outdoor)
  - Boat launch
- Slip rentals (transient and seasonal)
  - Marine Travel Lift • Pump outs
  - Bait, tackle & fish license
  - Gas and diesel fuel

Please note: Fishing licenses are required for those 16 years or older. Licenses can be purchased at our marina.
